PERSONAL STATEMENT

I am a second-year IT Engineer student committed to long term learning. I am excited to use my love for innovation and technology to a dynamic internship or contract position within the industry.

My time at Universidad Técnica del Norte gave me solid basis on statistics, programming, and algorithm with emphasis with MATLAB and Python. Outside classroom I continuously dedicate my free time to learn new skills with theoretical and real-world understanding.

I have loved studying and researching, and I am prepared to increase my skill set and take my knowledge to the next level.

QUALIFICATIONS

Universidad Técnica del Norte

Ibarra, EC | 2021 – Expected Graduation: 2026

Bachelor of IT Engineering

Majoring in programming and applications with key interest in programming, statistics, and algorithms.

Study Conference with Google

Ibarra, EC | 21.10.2022

Participated in inspiring study conference featured by Google representatives.

TECHDAY 2022

Ibarra, EC | 17.12.2022

Engaged in a virtual event about innovative frameworks, hosted in collaboration with Cisco Networking Academy, SOL & TECH, CESBDI, and SI6 Networks.

University Canada West

Vancouver, CA | Apr 2021 – Dec 2021

Excellence Teaching Program

Completed an online lecture series at UCW, focusing on essential soft skills and learning strategies. Topics included academic integrity, writing strategies, successful learning techniques and strategies for initiating success. View credentials [here](#).

Summer Summit by Microsoft

Vancouver, CA | Oct 2021

WORK EXPERIENCE

Bartender Client Service & Management Hamburg, GE 2023	Assistant Manager <ul style="list-style-type: none">Started a part-time bartending job in one of Hamburg's busiest neighborhoods, Reeperbahn, to improve my German language skills.Prepare beforehand and through shifts all ingredients, orders, and cash registration.Adapted to fast-paced environments, strengthen my ability to work efficiently under pressure.
Tierra Linda Social Organization Manager Tulcán, EC 2020 – 2021	Event Manager and Presentation Began as a grunt within the organization and over a half year began to take managerial duties. <ul style="list-style-type: none">Managed environmental and social volunteering activities, including teaching sessions on feasible projects within communities with potential for tourism and agricultural.Proposed and managed reforestation project on endangered areas by growing indigenous plants in a variety of groupings around the province.

TECHNICAL SKILLS

- Applied differential and numerical methods through MATLAB to analyze mathematical problems and testing functions.
- Advanced academic writing skills following APA guidelines. Expertise in university research methodologies and documentation.

PERSONAL SKILLS

Group Management

Lead and coached groups to achieve high levels of efficiency. I successfully coached local sellers in product advertising processes and further guiding them into provincial competition. Easiness in event production management.

Technical Communication

Able to communicate complex topics to large groups with precision. I am comfortable handling communication with customers, both personal meetings and digital platforms as Gmail, cards, and notices.

Self-Optimization

Pushing myself to the edge has always made me realize how capable I am of performing at a high level and for extended periods of time. I invest my free time learning new skills, currently honing my German language proficiency, and advancing skills in MATLAB.

Composure in Busy Environments

Adapting myself into demanding environments has always been fundamental. I find enjoyment through the solving process to achieve desired results.

ACHIEVEMENTS

Top 100 from Top Students by BK2 | 2021

Stayed in the top 100 of a competitive scholarship contest for USA universities. Competed against 10,000 students from across all South America.

University Canada West Academic Writing Co-Founder | 2021

Co-founded the Academic Writing Team at University Canada West. I provided feedback on various writing formats, including essays, papers, emails, request, and literature.

Universidad Politécnica Estatal del Carchi Professor Assistant | 2021

Assumed the role of English language assistant at Universidad Politécnica Estatal del Carchi, there I prepared materials in advance, managed group activities throughout the city, and reviewed grading process with my professor.

INTERESTS

Programming and Further Education – I seek new learning opportunities on backend programming and learn new programming languages. Particularly interested in Java as new potential language.

Copywriting and Customer Engagement – Privately I study copywriting techniques focusing on creating engaging emails. I try to understand the customers' needs and provide services as optimal solution.

Sport Enthusiast – I maintain an active lifestyle through variety of sports:

- *Kick Boxing*: represented Ecuador in a kickboxing contest on the Galapagos Island and became a core member of the provincial team.
- *Bouldern*: Started doing as a hobby improving my foreshadowing and mental agility.
- *Swimming*: Prefer to do regularly as a balance practice for best performance in the other sports.
